

Solicitation Number: 05-0004-03
Administrative Support Services
for the Chief of Naval Research

The statement of work, order information, proposal submission requirements, and evaluation information are set forth below. Proposals from holders of ONR Multiple Award Contracts (MATOC) for support services under CLIN 0004 are due by 2:00 PM (local), 15 JUN 2005.

1.0 Background

The Chief of Naval Research (CNR) is the Science and Technology Executive for the Navy, the head of an Echelon I claimancy, commander of the Office of Naval Research, and headquarters for a world-wide science and technology agency. See www.onr.navy.mil for further information.

2.0 Statement of Work

2.1 Objective

Provide administrative support for active and reserve personnel at the Office of Naval Research.

2.2 Scope

Will perform administrative functions including but not limited to: greeting and managing visitors; correspondence drafting and coordination; managing military specific correspondence, such as awards, evaluations and fitness reports, advancement and promotions; telephone, e-mail and fax messaging management; meeting coordination; visit requests and coordination; travel documentation and processing; filing and recording various documents.

2.3 Technical Tasks/Requirements

Correspondence: ability to retrieve filed documents within 60 minutes for archived matters, draft one to two page letters in standard formats within an hour. Handle routine incoming and outgoing military personnel related correspondence and messages.

Travel document preparation and management: Ability to arrange travel in CONUS within 48 hours, including transportation, lodging, data entry into Defense Travel System, visit clearance requests, travel package preparation

and coordination with local SATO. Provide for closeout of travel within 3 days of completion of travel.

Visitor management: Greet and escort visitors in controlled access spaces, daily opening and closing of command spaces and common meeting areas in the command spaces; meeting preparations, including copying/duplication, assist with briefing preparations.

3.0 Personnel Requirements

3.1 Personnel Qualifications

The Contractor shall provide qualified personnel to manage and execute all aspects of the statement of work. The following skill sets are anticipated to support the tasks:

3.1.1 Any proposed personnel must be thoroughly familiar and proficient in the use of commercial software packages such as Microsoft Word, Project, Excel and PowerPoint. Experience with Defense Travel System is desired.

3.1.2 The candidate(s) must have excellent understanding of active duty and reserve personnel administrative requirements, standards and processes. The candidate(s) must also be familiar with government travel regulations.

3.2 Level of Effort 750 hours support for the Base Effort and 500 hours for the Option Effort, Monday through Friday, holidays excepted.

3.2.1 The level of effort has been estimated for the proposed contract. Both a 6-month base period and one 6-month option period have been defined (Total potential period of performance, with option, is 12-months).

3.2.2 Base Period: The base period of performance will be from time of award through 6-months. The level of effort anticipated for this period is approximately 750 man-hours at an average rate of approximately 167 hours per month for the first 3 months and 83 hours per month for the last 3 months. A description of the labor category and the total anticipated hours for this effort is provided below.

Labor Category	Total Hours for Base Effort
Administrative Support Staff	750

NOTE: This level of effort is considered full time for the first 3 months and part-time for the remaining 3 months.

3.2.3 The above labor category and hours are provided as the Government's best estimate of the work to be performed. The offeror may propose the same level of effort (hours and labor categories) or a different level of effort based on its own labor classification system and unique approach to satisfy the Government's requirement. While the Government will consider an alternate level of effort, it is the Government's preference to maximize the estimated labor hours devoted to the direct performance of the technical/support tasks. To the extent that the level of effort proposed is different than the Government's estimate, the offeror's technical proposal should clearly specify the hours and labor categories proposed for each task in the statement of work.

3.2.4 Option Period: The option period of performance will be for 6-months from exercise of the option. The level of effort anticipated for this period is approximately 500 man-hours at an average rate of approximately 83 hours per month. A description of the labor category and the total anticipated hours for this effort is provided below.

Labor Category	Total Hours for Option Effort
Administrative Support Staff	500

4.0 **Order Details**

4.1 **Contract Type:** The Navy anticipates awarding a cost plus fixed fee level of effort task order.

4.2 **Period of Performance:** Base period of six months from time of award with one 6-month option.

4.3 **Other Direct Costs (ODCs)**

ODCs (including supplies, etc.) will be reimbursed at cost plus G&A without profit or fee. The total ODC amount is not to exceed (NTE) \$500 for both the Base and Option effort. This NTE amount should be proposed and included as part of the cost total (without profit or fee) in every proposal submitted under this solicitation.

4.3.1 **Travel and Per Diem** - Travel will be not required to support this Statement of Work.

4.3.2 Other Direct Costs (Other than Travel and Per Diem) - ODCs may be required to fully support this task requirement. At this time, the specific items cannot be identified; however, the ODC total cannot exceed the NTE amount stated in Section 4.3 for each 6-month period.

4.4 Place of Performance: Work will normally be performed at the Contractor facilities.

4.5 Government Furnished Resources (GFR): The Government will provide information, material and forms unique to the Government for supporting the task. The Government furnished resources necessary to perform the statement of work should be identified and requested through the designated Contracting Officer's Representative (COR).

4.5.1 Facilities, Supplies and Services: Basic facilities such as work space and its associated operating requirements (i.e., phones, desks, and utilities) will be provided while working in Government facilities. The availability of any required computer resources while working in Government facilities should be verified in advance with the designated Contracting Officer's Representative (COR).

4.5.2 Information: All Government unique information related to this requirement necessary for Contractor performance will be made available to the Contractor. The Contracting Officer's Representative (COR) will be the point of contact for identification of any required information to be supplied by the Government.

4.5.3 Documentation: All existing documentation relevant to this task's accomplishment will be made available to the Contractor at the beginning of the task. The Contractor will be required to prepare documentation in accordance with defined guidelines provided by the Government.

4.5.4 Equipment: With the exception to the basic facility items noted Subsection 4.5.1, and in accordance with the general guidance in FAR Part 45.102, Contractors are required to furnish all property necessary to perform on Government contracts or orders. PC's should not be proposed as a direct charge under this solicitation. For security purposes, computers may be required to be authorized and approved for use by ONR.

Contractors may be required to obtain one or more Navy Marine Corps Intranet (NMCI) seats to perform the Task Order statement of work. ONR currently plans to formally transition to NMCI on or about 1 OCT 2005.

During the performance of the Order, if either party (Government or Contractor) identifies a requirement for the Contractor to obtain an NMCI seat to perform its duties, ONR officials will work with the Contractor to obtain an NMCI seat in a timely manner and, if necessary, will pursue a mutually satisfactory agreement in regards to any formal modifications or changes to the scope, structure or dollar values of the Order as a result of the emerging NMCI requirements. General information regarding NMCI can be obtained at: <http://www.nmci-eds.com/index.asp>.

4.6 Subcontracts/Consultants: Contractor may request or propose, on a case-by-case basis, subcontract/consultant support for specific technical tasks. In accordance with FAR 52.219-14 of the MATOC contracts, Contractor employees shall perform at least 50 percent of the cost of contract performance incurred for personnel.

4.7 Security Requirements:

a) Clearance Requirements. During the performance of the effort, the Contractor may be required to have access to, and may be required to receive, generate, and store information classified to the level of SECRET. For personnel, a minimum of a SECRET clearance is required. Any Contractor facilities used in support of this contract must be granted SECRET facility clearances and have the capability to store material classified up to and including SECRET. A DD Form 254 will be required prior to access or production of any classified information. Additionally, Contractor is required to safeguard the information labeled as proprietary.

b) Nondisclosure Agreement. In the course of its work, the selected Contractor will be required to execute a Nondisclosure Agreements (NDAs) as outlined in Section 5.2.1 of this solicitation.

4.8 Organizational Conflict of Interest

4.8.1 Safeguarding Information

The parties acknowledge that, during performance of the contract resulting from this Order solicitation, the Contractor may require access to certain proprietary and confidential information (whether in its original or derived form) submitted to or produced by the Government. Such information includes, but is not limited to, business practices, proposals, designs, mission or operation concepts, sketches, management policies, cost and operating expense, technical data and trade secrets, proposed Navy budgetary information, and acquisition planning or acquisition actions, obtained either directly or indirectly as a result of the effort performed on

behalf of ONR. The Contractor shall take appropriate steps not only to safeguard such information, but also to prevent disclosure of such information to any party other than the Government. The Contractor agrees to indoctrinate company personnel who will have access to or custody of the information concerning the nature of the confidential terms under which the Government received such information and shall stress that the information shall not be disclosed to any other party or to Contractor personnel who do not need to know the contents thereof for the performance of the contract. Contractor personnel shall also be informed that they shall not engage in any other action, venture, or employment wherein this information will be used for any purpose by any other party.

4.8.2 Organizational Restrictions

Support contractor's knowledge of competition sensitive information, described in paragraph (a) above, may unfairly affect its competitive position in future ONR research solicitations. The Contractor understands that, during performance of the contract resulting from this Order solicitation and for a period of up to two years after the completion of its performance of the contract, the Contractor, any affiliate of the Contractor, any joint venture involving the Contractor, any entity into or with which the Contractor may merge or affiliate, or any other successor or assign of the Contractor may not be eligible to participate as a prime Contractor, subcontractor, consultant, joint venture, partner, or other agreements directly impacted by ONR research programs.

5.0 Proposal Requirements

5.1 Proposal Format: The Offeror's proposal must be divided into two sections: (1) Technical Proposal, and (2) Cost Proposal. Information for the technical portion shall be a separate and segregable document from the cost proposal. No cost information should be included in the technical section. The length of the technical proposal shall not exceed four (4) pages, exclusive of resumes. There are no page limits on the resumes or the pages of the cost proposal. The Offeror may provide resumes for up to 4 persons, with either one or two primary candidates and up to two backup candidates. The proposal should be written and organized to be compatible with the Statement of Work, company's organization and accounting structure, and proposed cost.

(a) Technical Proposal: The technical proposal should include the following: The Offeror's understanding of and approach to the requirement, resumes of proposed personnel, and the amount of proposed hours for personnel. The Offeror should describe specifically how the work activities required to

complete the tasks in the statement of work will be done. The Offeror should explain how technical objectives, tasks and deadlines will be determined; how staff responsibilities will be assigned; whether and to what degree consultants and/or subcontractors will be utilized; how the quality and timeliness of work performance will be supervised and controlled; how the Offeror will coordinate with the program office; how a surge capacity will be maintained to meet unanticipated requirements; and how administrative tasks such as travel, security and resource requests will be handled.

The Offeror should include information relative to previous efforts for the same or similar services provided in the past to include contract numbers and Government points of contact where applicable.

The Offeror should explain what corporate facilities are available and would be used in support of the work including computer resources, publication/media materials and equipment where appropriate. The proposal should acknowledge that the Contractor will provide the appropriate IT/telecommunications equipment for the proposed personnel for this task order.

(b) Cost Proposal: The Offeror should submit a cost proposal that itemizes the following proposed costs (as applicable): direct labor (including each labor category with associated proposed hours and hourly rate), fringe benefits, labor overhead, consultants, subcontracts, subcontractor/consultant handling charges, G&A, cost of money, fixed fee and any other relevant cost categories. The Offeror should also include the estimated ODC amounts set forth in the "Other Direct Costs" section of the solicitation as part of its proposed costs. The base calculation and rates must be provided for all indirect cost items. Subcontract cost information containing the same type of details described above for the prime must be provided either with the proposal (it can be submitted in sealed envelope) or mailed separately before the solicitation due date and time.

If available and applicable, the Contractor should also provide its Defense Contract Audit Agency (DCAA) point of contact, including the Branch Office name, auditor name, phone number and e-mail address.

5.2 Other Required Documents: Offerors should be aware that, upon receiving an award, the following additional documentation will be required:

5.2.1 Non-Disclosure Agreement. Each employee of the successful Offeror will be required to sign a Non-Disclosure Agreement (NDA) prior to commencing work under this Order. The supervisor/manager of the

proposed personnel will also be required to sign the NDA on behalf of the Contractor. Attachment A is the NDA that shall be used at the commencement of this order.

5.3 Proposal Submission: The due date for receipt of proposals for this solicitation is no later than 2:00 PM (Local Time) on 15 JUN 2005. All forms of proposal submission must include a signed cover sheet. Proposals can be:

(a) Uploaded electronically via the "Upload Proposals" hyperlink, which is under the hyperlink for this solicitation on ONR's MATOC website (Note: this site restricts the formats of uploaded documents to those in MS Word, MS Excel, or pdf), or

(b) Sent by regular mail (express mail acceptable) or hand delivered. The original and two copies must arrive by the above deadline at the following address:

Office of Naval Research
875 North Randolph ST, Suite 1425
Attn: ONR 251: Wade Wargo
Arlington, VA 22203-1995
Ref: 05-0004-03

6.0 Evaluation Information

6.1 Evaluation Criteria: A Task Order will be awarded to the responsible offeror whose offer represents the best value to the Government. In order to determine which offeror represents the best overall value, offers for individual task orders will be evaluated on the following Technical and Price/Cost Factors:

Technical Factors

- (1) Proposed personnel
- (2) Past performance on earlier tasks under this and similar contracts
- (3) Understanding of Requirement/Technical Approach

Price/Cost Factors

- (4) Cost

The Government will make a determination of the overall value of each proposal in terms of its potential to best satisfy the needs of the Government, considering both Technical and Cost Factors.

The Offeror's technical capability (as measured by the Technical Factors) and Cost Factor are equal in importance. In regards to the stated Technical Factors, Technical Factor 1 is of the greatest weight; Technical Factors 2 and 3 are equally weighted.

In evaluating past performance on individual orders, the procedural requirements in FAR 42.15 are not mandatory. Past performance will be based on the Government's subjective evaluation of the Contractor's performance with previous orders, if any, under this contract and similar contracts.

6.2. Award: The Government will award a task order to the responsible Offeror whose offer conforming to the solicitation will be most advantageous to the Government, cost and other factors considered. For this Order, the anticipated award date is on or around 27 JUN 2005 and the start date about two weeks following award.

7.0 Submission of Questions: Any questions regarding this solicitation must be provided in writing to the Point of Contact listed below. Acceptable forms of written question submission include fax and e-mail. Questions submitted less than 72 hours prior to the closing date for proposals may not be answered and the due date for submission of proposals may not be extended.

8.0 Solicitation Amendments: Any amendments to this solicitation will be posted along with the solicitation on the ONR website. It is the Offeror's responsibility to regularly check for any postings of solicitations, amendments, and questions and answers under this or any other MATOC Solicitation.

9.0 Point of Contact: The Point of Contact for this solicitation is Wade Wargo, ONR 251, Telephone (703) 696-2574 and Email wargow@onr.navy.mil.

Non-Disclosure Agreement Regarding Contractor Support for the Office of Naval Research

The undersigned individual, _____, agrees, both in his personal capacity and as an employee of _____ as follows:

BACKGROUND

1. The mission of the Office of Naval Research is to plan, foster, and encourage scientific research and technology development in recognition of their paramount importance in the maintenance of future naval power and the preservation of national security. ONR provides for the continuing technological superiority of U.S. naval forces, by providing the Department of the Navy (DoN) with mission-relevant, affordable new capabilities that create and exploit scientific breakthroughs, respond to fleet requirements, and support strategic U.S. industries. ONR requires contractor technical services and research support in order to meet these requirements. The services/support that may be provided to ONR by contractor personnel include but are not limited to the following:
 - i. Assist ONR personnel in overall technical program management support on matters and issues consistent with ONR sponsored development projects, including assisting in the evaluation of white papers, proposals, program/project planning, investment reviews, technology assessments, data analyses, conference and seminar activities, and financial issues.
 - ii. Provide support in the financial execution of ONR programs. Monitor availability and use of funds. Review financial documents and plans for impact on program objectives and requirements. Prepare internal financial notices, instructions, guidelines and reports. Conduct analyses and provide reports that identify, quantify and evaluate financial execution of accounts and accomplishment of program goals and milestones. Coordinate preparation and review of actual and projected funding estimates, justifications and strategies. Identify deficiencies, excesses, trends and imbalances to assure funds availability. Work with program personnel to expedite financial execution and ensure programmatic benchmarks are met.
 - iii. Draft analyses, presentations, notes, assessments, testimonies, speeches, and other materials on various technical/management topics, as requested, for use by ONR personnel with other internal ONR departments and externally with the Navy staff, Department of Defense, other federal and state agencies and the U.S. Congress.
 - iv. Provide assistance in the areas of information technology to include database design and maintenance, software development, graphics and reproduction, and other allowable materials and services.
 - v. Provide administrative and management support in the execution of ONR programs to include the preparation of official documents and files for execution by Government employees.
 - vi. Provide support on technical, programmatic and operational matters pertaining to the diverse array of technologies investigated and supported by ONR.

2. The undersigned individual is serving as contractor support for ONR. As such, he has and will continue to come into contact with proprietary technical and commercial information. He likewise will have access to sensitive internal information developed by or on behalf of the Government in connection with the accomplishment of ONR's mission.

AGREEMENT

1. The undersigned individual agrees that he will not disclose to any individual, company, or Government Representative¹ any information² relating to current or proposed Navy budgetary information, acquisition planning or acquisition actions, obtained either directly or indirectly as a result of the effort performed on behalf of ONR. The undersigned individual agrees that he will promptly notify the ONR Office of Counsel of any attempt by an individual (including any contractor personnel), company or Government Representative to gain unauthorized access to such information, and of any disclosure of such information to unauthorized parties. Such notification shall include the name and organization, if available, of the individual, company or Government Representative seeking access to such information.
2. The undersigned and his employer acknowledge that the owner of any proprietary information improperly disclosed stands as an intended third-party beneficiary of this non-disclosure agreement. In the event of an unauthorized disclosure of proprietary information, the owner of the information may seek legal recovery under this non-disclosure agreement, even though the information owner is not a formal party to the agreement.

FOR THESE REASONS the undersigned individual agrees on his own behalf, and his employer likewise concurs, to protect, respect and not disclose the proprietary information and Government mission- and procurement-sensitive information that may come to their attention as part of the contract assistance provided to ONR.
